A CELEBRATION OF LIFE

Join the Department of English in conjunction with the Chaplain's Office in honoring professor, colleague, and friend David Eye. Share your favorite poem by David, any writing you worked on together, or any remarks on his presence in the classroom or here on campus. Students who are not comfortable speaking in front of a microphone may also send their words in advance to eng@owu.edu and someone will share them on their behalf. We hope to see you there.
