PLANTS OF OHIO

Salix babylonica L.

SALICACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.858' N, 83° 04.118' W. Along a disturbed stream bank on the N side of the Delaware Run, W of the buildings on Sandusky St., with *Catalpa sp.*, *Acer negundo*, *Populus deltoides*, *Toxicodendron radicans*, *Parthenocissus quinquefolia*, *Vitis riparia*.

Height: approx. 12 m. Bark: deeply furrowed, with flat brown to light brown ridges.

24 May 2009
G. W. Stull 3

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Cornus florida (L.) Raf.

CORNACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.820' N, 83° 03.896' W. Open, mulched garden bed, W of Henry St., N of Phillips Hall.

Height: approx 3.5 m. Bark: smooth, grey-brown, beginning to shows stretches from secondary expansion.

21 May 2009

G. W. Stull 4

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Salix nigra Marsh.

SALICACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.835' N, 83° 03.914' W. Partially shaded bank on the S side of the Delaware Run, with *Catalpa* sp., *Lonicera maackii*, *Impatiens pallida*, *Acer saccharinum*, *Fraxinus* sp.

Diffuse habit. Height: approx. 4 m. Bark: smooth, tan to olive colored.

21 May 2009

G. W. Stull 5

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Prunus serotina Ehrh.

ROSACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.794' N, 83° 03.876' W. Open grassy plot, E of Phillips Hall.

Height: approx 22 m. Bark: dull grey-blue scales, peeling to reveal red-orange undersurface.

21 May 2009

G. W. Stull 6

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Pterostyrax corymbosa Sieb. & Zucc.

STYRACACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.805' N, 83° 03.881' W. Mulched garden bed E of Phillips Hall.

Height: approx 9 m.

21 May 2009

G.W. Stull 7

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Diospyros virginiana L.

EBENACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.841' N, 83° 04.006' W. Open grassy slope, N of University Hall, leading to the S bank of the Delaware Run.

Height: approx. 12 m. Bark: brown-grey, square to rectangular-shaped ridges with thin orange-red lines running through middle of the furrows.

21 May 2009

G. W. Stull 8

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Syringa reticulata (Blume) H. Hara

OLEACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.713' N, 83° 03.900' W. Open grassy area E of the Science Center and N of the Greenhouse.

Height: approx 4 m. Bark: grey-brown, smooth except for the papery peels and the horizontally oriented lenticels.

21 May 2009

G. W. Stull 9

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Carpinus caroliniana Walter.

BETULACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.721' N, 83° 03.880' W. Narrow grassy island between the Science Center and Henry St.

Height: approx. 6 m. Bark: grey and smooth, the ridges rounded, with the appearance of taut muscles.

21 May 2009
G. W. Stull 10

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Crataegus phaenopyrum (L. f.) Medik.

ROSACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.673' N, 83° 03.968' W. Bottom of a steep N-facing slope leading from Wilmer St. to the S end of the Branch Rickey Arena.

Height: approx. 8 m. Bark: small, appressed rectangular grey scales.

21 May 2009
G. W. Stull 11

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Catalpa sp.

BIGNONIACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.650' N, 83° 03.948' W. Open area E of the Power House and Motor Pool.

Height: approx. 14 m. Bark: brown-grey, with long flattened plate-like ridges. Flowers: white, showy, with orange yellow streaks running down the inside of the corolla and purple speckles scattered over the inside and outside of the corolla tube; herkogamous.

31 May 2009

G. W. Stull 12

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Catalpa sp.

BIGNONIACEAE

DELAWARE COUNTY, Delaware Township.

40° 18.014' N, 83° 04.627' W. Along John St. near Sanborn Hall, about 15 meters E of the Delaware Run, at the bottom of a gentle grassy slope, with *Populus deltoides* and *Juglans nigra*.

Height: approx 10 m. Bark: grey-brown, with long flattened plate-like ridges. Flowers white, showy, with yellow-orange streaks running down the inside of the corolla and purple speckles scattered around the inside of the corolla tube; generally non-herkogamous.

31 May 2009

G. W. Stull 13

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Catalpa sp.

BIGNONIACEAE

DELAWARE COUNTY, Delaware Township.

40° 18.103' N, 83° 04.612' W. Along the Delaware Run, near the John St. bridge, with *Acer saccharinum*, *Ulmus americana*, *Fraxinus sp.*, and *Juglans nigra*.

Height: approx 12 m. Bark: grey-brown, with long flattened plate-like ridges. Flowers white, showy, with yellow-orange streaks running down the inside of the corolla and purple speckles scattered around the inside of the corolla tube; generally non-herkogamous.

16 June 2009

G. W. Stull 14

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Tilia cordata Mill.

MALVACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.725' N, 83° 04.064' W. Near Sandusky St., N of Edwards Gym, along the driveway leading back to the Science Center.

Height: approx. 12 m. Bark: grey-brown, bumpy and checkered in appearance, covered in pale-blue and light-green lichen.

15 June 2009
G. W. Stull 15

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Diospyros virginiana L.

EBENACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.750' N, 83° 03.954' W. Top of a grassy slope, E of Elliot Hall.

Height: approx. 11 m. Bark: rough blue-grey ridges with a thin orange streak running through the middle of the furrows.

12 June 2009
G. W. Stull 16

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Ailanthus altissima (Mill.) Swingle.

SIMAROUBACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.831 ' N, 83° 03.865 ' W. Dense patch of trees S of the Delaware Run, with *Ulmus americana*, *Acer saccharum*, *Lonicera maackii*, *Fraxinus sp.*, *Morus alba*.

Bark: light grey-brown, with tan diamond-shaped scratches scattered over the surface.
Flowers: arranged in panicles of small, yellow flowers with five petals and five sepals; all flowers functionally female, containing five fertile carpels and ten sterile anthers.

12 June 2009
G. W. Stull 17

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Ailanthus altissima (Mill.) Swingle.

SIMAROUBACEAE

DELAWARE COUNTY, Delaware Township, Campus of Ohio Wesleyan University.

40° 17.836 ' N, 83° 03.868 ' W. Dense patch of trees S of the Delaware Run, W of Henry st. With *Ulmus americana*, *Acer negundo*, *Lonicera maackii*, *Malus sp.*

Height: approx 11 m tall. Bark: grey-brown with light tan scratches running up and down the bark. Flowers: arranged in panicles of small, yellow flowers with five petals and five sepals; all flowers male, with ten fertile stamens and a vestigial pistil.

12 June 2009

G. W. Stull 18

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Pyrus calleryana Decne.

ROSACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.715' N, 83° 04.066' W. NW of Edwards Gym. Sprawling *Juniperus sp.* encircling the trunk.

Height: approx. 11 m. Bark: dull brown, with narrow fissures and appressed rectangular ridges.

24 June 2009

G. W. Stull 19

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Fraxinus sp.

OLEACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.534' N, 83° 03.787' W. Behind the shed to the Se of Buildings and Grounds.

Height: approx 8 m. Bark: grey-tan, with shallow and narrow fissures beginning to show a diamond-shaped pattering. Petioles and abaxial veins softly pubescent, especially on the mid-ribs

25 June 2009

G. W. Stull 20

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Crataegus crus-galli L.

ROSACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.739' N, 83° 04.036' W. Mulched garden bed SW of Sturges Hall.

Height: approx 2.5 m. Bark: grey, splitting into large peeling scales around the lower portion of the trunk.

24 June 2009
G. W. Stull 21

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Crataegus pedicellata Sarg. (*C. coccinea*)

ROSACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.735' N, 83° 04.036' W. Mulched garden bed SW of Sturges Hall.

Height: approx. 3 m. Bark: smooth, light grey.

24 June 2009
G. W. Stull 22

**PLANTS OF THE JANE DECKER ARBORETUM
OHIO WESLEYAN UNIVERSITY**

Prunus sp.

ROSACEAE

DELAWARE COUNTY, Delaware Township.

40° 17.807' N, 83° 03.954' W. Between University Hall and Merrick Hall.

Height: approx. 15 m tall. Bark: dull grey-blue, with burnt-orange fissures running down the trunk, getting deeper toward the base.

24 June 2009

G. W. Stull 23

**PLANTS OF THE JANE DECKER ARBORETUM
